From my early college years, I knew it was all about boobs.

I didn't have any in high school, and had to literally stand by as a parade of busty girls paraded down the hallways, or posed chests pushed out, in front of their lockers. During college, mine suddenly bloomed and kept blooming.

Alexis

Guys can't stop looking and now I'm the one that girls look at walking down the street. My boobs make me feel good, and that is the most important thing of all. Especially when I'm lying in bed naked with my lover.

getaway van

“Impressive, huh?”

Mr. Saucier’s assessment was an understatement of epic proportions. The museum curator had barely scratched the surface. Still, Max didn’t dispute him. As a lowly security guard it was hardly his place to do so. But this wasn’t the only reason for his silence.

The newest exhibit had, quite literally, taken Max’s breath away.

He stood there eyeing it with mounting disbelief. The vehicle, a white utility van of the type used by carpenters and house painters, held him in its hypnotic grip. After all, it wasn’t every day that an average Joe like Max found himself in the midst of a van used in the commission of one of the greatest heists in the history of American crime.

“What’s wrong, Max?” Mr. Saucier regarded him with an amused smile. “Cat got your tongue?”

“You can say that again,” he replied, finally able to speak.

Max had worked at the Crime Museum for six months. In that time he had seen a lot of cool stuff—a soup spoon used to dig a hole through a prison wall had been his favorite—but nothing like this, nothing like the van.

This, he knew, had everything to do with his Mafia-obsessed girlfriend. Carol lived and breathed organized crime, going so far as to publish a quarterly newsletter devoted to the subject. Max thought her obsession unhealthy. Still, he put up with it for one very practical reason. Carol was dynamite in the sack. With a pussy like hers—well, he was more than willing to overlook her weird hobby. The van was sure to have an aphrodisiacal effect on Carol. She was a strange one, for sure. Kinky didn’t even begin to cover it . . .

“Five million in cash,” Mr. Saucier said, “and a lot more in jewelry. Those greaseballs hit the jackpot.”

“That’s what I hear,” Max replied.

Of course, Carol had told him all about the infamous heist. Max knew the story backwards and forwards. 1978. The Maldini Family had cleaned out the cargo hold of a commercial jet. It was the biggest robbery to date. The heist crew had planned the

crime for months, pulling it off without the slightest hitch. It took federal authorities over a year to figure out who had committed the brazen robbery and fled the scene in a white utility van.

Encircled by a braided red rope, the van, its battered body illuminated by a series of small spotlights, was the largest exhibit on the museum floor. Today would mark its debut; this after an aggressive marketing campaign which had included a whole week of radio spots.

“Five minutes until we open,” Mr. Saucier remarked with an anticipatory air. “I haven’t been this excited about my job in years. I bet there’s a long line at the door.”

Max hefted his heavy assortment of keys. “Let’s go see.”

Carol viewed the van on her lunch break, jotting down notes as she planned to use the experience for an article in her next newsletter. She didn’t see Max. He, too, would be on his lunch break.

The remainder of her day was spent in a highly excited state. She found it difficult to concentrate at work. The van had done a real number on her. One viewing, she knew, would hardly suffice; it was like a

great movie one has to watch again and again and again, taking full advantage of the opportunity before its run comes to a sad end.

It was almost six when she returned to their apartment. Max had beaten her home. She heard the shower running. Max always showered at night. “That way,” he had explained countless times, “I don’t have to rush in the morning.”

Carol went to the bedroom and got undressed. But she didn’t put on her comfy night clothes. In fact, she didn’t put on any clothes at all. Sitting there on the bed, a naughty smile creasing her youthful features, she waited for her boyfriend.

Max was happy to see her, of course. He untied the towel around his waist and let it fall to the floor. Then he moved toward the bed, padding across the hardwood on his bare feet.

“I take it you liked the van,” Max greeted Carol.

“I loved it,” she replied. “It was even better than I had imagined.”

“Sorry I missed you.”

“It’s okay, babe. We all have to eat.”

She wrapped her fingers around his stiff member, moving her hand up and down, stroking him nice and slow. Her pussy moistened as he swelled in her palm.

Max stood above her, thanking his lucky stars for having such a kickass girlfriend. Carol had a tight ass,

slender waistline, big tits. She wore her brunette hair close-cropped, giving her a tomboyish appearance he found irresistibly sexy.

Carol moved her hand faster. Max’s breathing became ragged. His cock was a rigid baton. And then it was in her mouth . . .

She devoured him greedily. Holding his hips, she pumped her head, her lips wrapped around his tumescent tool. She took every inch, feeling his glans press against the back of her throat.

“Oh, shit,” Max gasped. “Oh . . .”

He would have been content to finish in her mouth. But Carol wasn’t done, not by a longshot. She wanted more, much more . . .

This became apparent when she reclined on the bed. She placed a pillow behind her head and spread her legs. Diddling herself with one hand, she used the other to explore her tits.

Max dropped on top of her, guiding his cock into her tight crevice. Carol received him with a contented sigh. Lifting her knees, she wrapped her legs around his waist. It wasn’t long before they were fucking like frenzied animals.

Using his prick like a piston, Max hammered his girlfriend. Carol urged him to fuck her harder, fuck her faster. Max obliged. Then, on the brink of blowing his wad, he eased up and pulled out.

He stood beside the bed waving his pecker. Once again Carol employed her talented mouth. She sucked him good and proper, sucked him sloppily like a good little slut until Max rewarded her with a face full of cum.

“Let’s fuck in the van,” Carol said to Max as they washed dishes after dinner.

He could hardly believe his ears. “Come again?”

“You heard me,” she told him. “I want to get it on in the infamous heist van.”

“You’re nuts,” Max said.

And it was true. Carol was batshit bonkers. Max had fully anticipated that his girlfriend’s viewing of the van would make her horny. Hell, anything related to the Mafia made her horny. But he had never foreseen her actually wanting to screw inside the damned thing! He found the prospect more than a little unsettling. After all, the van had belonged to a ruthless crime family known for its barbarism.

Bad juju, Max thought. But he didn’t want to let Carol down. If he failed to satisfy her, she was liable to seek sexual fulfillment elsewhere. And he could never live with that. No way, no how.

After finishing the dishes Max drove them to the

museum. He unlocked the staff entrance, pushed the door open, and disabled the alarm system. Carol, totting a rolled up sleeping bag under her arm, followed him inside. The beam of Max's flashlight bored through the darkness as he led the way through the administration wing enroute to the museum proper. Moments later they found themselves surrounded by exhibits.

"Wow," Carol said upon seeing the van, "it looks even better in the dark."

Max waved his beam over the faded white exterior. Ghostly light lashed the rear entrance. He stepped forward and unclipped a segment of braided rope from its movable support post.

ded, making her writhe with pleasure. All the while he stroked himself with one hand, prepping his cock for her pussy.

"Oh, yeah," Carol moaned. "Feels so good . . ."

She was hotter than ever, the van having turned her on something fierce. Max guided his prick inside her and commenced to thrusting. It was good. Very good. The best in recent memory. Carol wrapped her legs around his waist and crossed her ankles behind his pumping ass.

Things continued in this fashion until she all but demanded to switch positions. "I want to ride you, Max," Carol said breathily. "I want to bounce up and down on that big cock of yours and make it explode."

Max withdrew from between her legs and stretched out beside her on the sleeping bag. Carol straddled him in standard cowgirl fashion. Her hand grasping his rod, she lowered her hips and impaled herself. Cowgirl was her all-time favorite position, and it showed. She rode Max with frenzied abandon, her gaze taking in every inch of the van's interior, her nostrils flaring as she grinded and bucked and writhed her way to a mind-boggling orgasm.

Then Max came, crying out a split second before a blinding light speared the back window of the van. The door swung open. Mr. Saucier, flashlight in hand, peered at them

with righteous indignation.

"What in the world are you two doing!?" he barked stridently.

Her back to Max's boss, Carol looked over her shoulder. She raised a hand to her face, shielding her eyes from the bright light. Pinned to the floor, his cock still inside her, Max could only stare at the roof and bemoan his rotten luck. Mr. Saucier must have left something important at the museum and come back to retrieve it. Bad juju, Max reasoned. He would be fired for sure.

Still, he intended to get in the last word.

"My Saucier," he said, "you're a real party poop-er."

"I beg your pardon?" said the curator.

"You broke one of the oldest rules in the book."

"And what might that be?"

"When the van's a rockin'," Max told his boss, "don't come a knockin'!"

"Ladies first," he said to Carol.

She climbed into the back of the van. Max joined her and closed the door. The van was clean and empty. It was also cramped. He imagined the space on that day in 1978. Bags of cash and jewelry stacked to the roof. The squeal of tires as the van sped off the tarmac. Masked gunman whooping triumphantly.

Max held the light steady. "Are you sure you want to do—"

"More than ever," Carol cut him off.

She covered the metal floor with the sleeping bag, then proceeded to get undressed. Max turned off the flashlight, plunging them into darkness. By the time he had removed his clothes Carol lay beneath him. Her pale figure contrasted alluringly with the navy blue sleeping bag.

Max went down on her, pressing his mouth to Carol's cunt. He licked and lapped, sucked and prod-

Penelope and Gigi became fast friends at the store in the mall where they both worked. Gigi was the new hire, and the store manager, Nina, was there to show her the ropes. After a few months they all hooked up. Their first time was in the dressing room. Then, one day, Nina invited them both over to her house for a fun spanking and wine.

Penelope, Gigi & Nina

They stayed up all night, sharing stories and pussies. At first, it seemed like Gigi was the aggressor, but Penelope and Nina held their own in the three-way lickfest. They got so aroused that they all came at least three times each. Or at least that's what we counted. And we stand by that, now that we have the pictures and video.

Do you like me? I mean,
do you like me as a
brunette? This is my new
look, less than a week
old. Well, I just love it.
It suits me, and the guys
I go with like it, too. I
thought my blondish
hair wasn't getting me
laid enough. And now
that I'm brunette, it's
been a hot bedtime
every night this week.
This was a great time,

Daisy

Bash and I never made
it out of the bedroom.
From dawn till dusk we
sucked and fucked and
almost never took a
break. I must admit, my
pussy was a little sore
as we wound down.
Mmmm, I can't wait
for morning.

when the spouse is away

We stood there smiling at one another for a very long time...

There's a hot MILF living above me in our apartment complex. She's married, but her old man is always working. As for me, I'm married too, and my old lady is always with her girlfriends shopping. Well, you know the inevitable. We hooked up. But getting time together is always tough, until one day, she was looking over her balcony and noticed an area in the back of the building that's between the fence and a small grouping of high shrubs and bushes. There was a clear area she thought would be a great spot for us to 'hang out' away from prying eyes. We just can't do it in our respective apartments because of our spouses and getting away to a hotel is just impossible right now.

We decided the best time is around 10 on Tuesday mornings. The spouses are away as are most all of the neighbors. I got there first and waited in the shade. She came forward pushing her way through the vegetation. She was wearing a thin blue top, tight little shorts and shoulder length hair. This MILF pussy was mine this morning. I asked her to stand nearer just so I could get my hands around her waist.

I could see her dark brown nipples bulging through her tank top, her stomach was sucked in as she tried to accentuate her assets. We stood in the small clearing, both horny, inex-

perienced at cheating but allowing our bodies to do most of the talking. I asked her to come nearer. We stood there smiling at one another for a very long time, making a few stupid comments, trying to hide the fact we wanted to fuck immediately.

As she edged nearer and nearer I pulled her closer to me. She pressed her crotch against mine and felt my enormous cock throbbing inside my pants. I kissed her chin, she passively watched my lips as they caressed her entire face. I gave her soft bites on her neck, while I rummaged my hands down her pants onto her round ass. She looked into my eyes and I smiled. I squeezed her butt cheeks to signal it was on, and she acknowledged by squeezing my cock. From there, we knew it was on.

I grabbed her by the hips, turned her around and pulled her ass onto my cock. My trousers and her pants were the obstruction between us, I wanted her so badly. She leaned forward and pushed out her ass, grinding ever so slowly, but hard onto my package. Her butt muscles were firm and moved in powerful circles around my erect cock. With both my hands I placed them onto her waist and pulled her tighter against my cock. We dry humped for a few moments, saying nothing - only moaning with pleasure in low tones as to not allow anyone else to hear us.

But her moans became louder and louder as I continued making me wonder if she cumming already? I asked her if she wanted more and without saying a word I saw her head nod. So I turned her around, pushed her against the fence opposite us and pulled down her shorts. Her dripping wet pussy pushed towards my face. This was the first time she offered her pussy to eat, so I devoured it greedily. I sucked and licked and kissed and stroked that pussy with my tongue until her legs buckled as she came. She begged me to put myself inside her. Once it was in, we kissed hungrily like we were

BLAIR-NTS-10

I warned her I was going to explode and asked her if she'll swallow my juice. She hesitated for a moment...

bent on devouring each other, while we pulled and yanked at each other's clothes.

We were both naked when she dropped down to the ground, whipped my turgid dick out of her pussy and proceeded to give me a mean blow job. She moaned and slurped as she sucked, like she was about to choke on my dick or something. I had to ask her to take it easy, to be careful, but seconds later I was the one causing her to make more choking sounds as I pushed her head into my cock so she could take the entire thing into her mouth, deep-throat style.

She let me do as I wanted without uttering a single word of complaint. In fact, she seemed to enjoy my controlling the bj and getting her head and mouth to please me just how I wanted it. Her taking the length of my dick in her mouth can be classified as no mean feat. Eight inches long and pretty thick describes my rocket. And she managed to take all of it in her mouth like it was nothing.

After enjoying quite some time of cock sucking, I decided it was time to taste her pussy. She adjusted the clothes on the ground so she could lay on them and did. I kneeled in front of her lady sex and took all of her pussy, labia and all, in my mouth. I sucked the whole thing real hard for a few seconds and proceeded to flick my tongue in and out of her hole. As I dug deeper into the hole with my tongue, she wriggled her hips and screamed, pushed my head further in between her legs. A short while later, I wrenched her hands off my head, pinned them beneath her

with one hand, used my other hand to spread her pussy lips and expose her clit.

I took it in my mouth and teased it tentatively at first with a few strokes of my tongue that got her moaning again and then proceeded to suck on it like a lollipop. Her grunts went a few decibels higher and she kept begging me to hurry up; like I was not going as fast as I humanly possibly could. She wanted my cock inside her again. But before I gave in, I would insert three fingers at a time inside her and apply hard pressure on her g-spot. She would grimace with delight but beg me to stop, the sensations were too intense for her. She kept begging me to fuck her until I finally did.

I positioned myself over her and plunged my rocket into her with long slow strokes, but this wasn't fast enough. She wanted to get FUCKED. I did the best I could but somehow I felt I was not going to satisfy her. Her hips buckled and her body writhed but she didn't cum this way. I was surprised because she came easily earlier when I licked her.

Finally, thankfully, I could feel my climax building. I warned her I was going to explode and asked her if she'll swallow my juice. She hesitated for a moment, pulled my head into her neck, pushed her full boobs into my chest, grabbed my buttocks with her small hands and panted into my ear to cum inside her.

Naturally this aroused me insatiably and before I could even make a decision, huge ropes of my wet spunk were being injected into her pussy.

The warm sensation of my cum inside her made her moan with delight. She wiggled on the floor and began to furiously masturbate her clit. I sucked her tits and kissed her stomach as she did this until she came once, twice and three times. We lay there on the discarded clothes for a while, softly kissing like lovers until she said she had to go home and make dinner.

We cooled it for a while, I'm sure she was thinking about the correctness of it, as was I. But after month we hooked up again and again but never like this time. Never again did she beg me with such earnest to pump my cock into her pussy, but I knew her now and I knew what she wanted. What a beautiful woman she was.

This is my first L.A. man I've had the good luck to fuck. I've heard about a lot about them and about the size of some of their cocks. Well, Danny sure lives up to the hype. His cock was quite large, but I could not get it all into my mouth.

Raquel

Then he fucked my pussy for like what seemed to be an hour.

I was surprised he could last so long, but I loved it. I let him cum on my boobs, and all was good on my first Angeleno fuck.

Cathy & Shery

Shery and I have an intimate relationship ourselves, so we were okay with guys joining us. It was a fantasy of ours and now it's become a reality. I want to feel one in my mouth while my pussy gets fucked by the other. And then to have both my ass and pussy fucked. I'm sure Shery feels the same, but she can't tell me because she has the other cock in her mouth.

We had the time of my life and think our pussies and asses are still smoking from all the pounding they received. We'll probably take a break for a day and then get ready for some other guys cumming over this weekend.
